## Profile

I graduated in software studies in Ariel.
I like to go to lectures and mataps of leading companies in the country and learn from them as much as possible and expand my knowledge in the field.
I have excellent interpersonal skills,
Appreciates myself as having a high sense of service and the ability to handle multiple tasks simultaneously,
I see the big picture and pay attention to the small details, a team player with high communication skills and leadership,
Diligent, dedicated, curious, and always strives to explore and learn as much as possible.

## Projects

**Shoose Application** ⬈
This app offers both an online store and a service for all Nike shoe categories.
Developed using React Native

**Weather** ⬈
I built a weather project that syncs with the API of: openweathermap
You can be impressed:   https://golden-churros-a1f4bd.netlify.app/
